

# Bestem T-Box Mounting Kit Installation

Thank you for your purchase of Bestem T-Box Mounting Kit. Please take a moment going through this manual before starting the installation process.

## Applications

Year	Model
All	Suzuki VStrom 650

## Hardware List

Qty	Suzuki VStrom 650
1	Mounting Plate
2	M8x45 Flathead
4	M8x15 Hex Screw
7	Nylon Lock Nut
3	Spacer OD 18xID10xL18mm
1	M8x40mm Hex Bolt

Step 1. Remove seat and rear luggage carrier from bike.

Step 2. Mount plate using three spacers & 2 M8x45mm flatheads & 1 M8x40mm hex bolt in white circled holes. The other four red circled holes will be used in next step.

Step 3. Using the other four bolts and nuts mount the mounting plate that comes with the Top Box onto the plate you just have installed. The four red holes in the picture will be the holes you will need to use.

Step 4. Mount luggage carrier back onto the bike. Install Top Box.

Step 5. ENJOY YOUR TOP BOX!!!
